

Kids Discovery Museum Presents

Family STEM Night

at the Museum

Friday, May 18

5 - 7 p.m.

Get Your Hands on Science Fun!

Make Memories, Enjoy Special Activities and Play after Hours

Families are invited to join instructor **Tim Lowell** for a fun-filled evening at KiDiMu! Enjoy exhibit play and science projects. Bond together as you **explore slime**, team up for an **engineering challenge**, and wind down with a **science-themed story time!**

Tim Lowell is an author, a member of BI Arts Education Community Consortium, instructor of S.T.E.A.M. Curiosity Camps, and teaches at Bainbridge schools and schools throughout Puget Sound.

Cost per person: \$4/Members & \$7/Non-members. Babies under 12 months - free. No registration necessary. Feel free to bring takeout or dinner snacks to enjoy at the Museum.

INFO: kidimu.org or 206.855.4650.

Saint Cecilia Catholic School (SCCS) does not sponsor this event, and SCCS assumes no responsibility for it. In consideration of the opportunity to distribute materials, SCCS shall be held harmless from any cause of action filed in any court or administrative tribunal arising out of the distribution of these materials, including costs, attorney's fees and judgments or awards.
