

PRINCIPAL CORNER for NOVEMBER 24
Prayers of Gratitude

Each student wrote a Prayer of Gratitude and will read it to their family before their Thanksgiving meal. Below are excerpts from the writing of our students.

I am thankful for my auntie, mom, dad, brothers and my school. I am thankful for life. Amen.
-Jayden, 2nd

I am thankful for my family because they take care of me and they feed me. I am thankful for the teachers because they help me get in to college.
-Payton, 4th

I pray for the wild parts of the world where no man has ever touched or seen. I am so thankful for my family and my pet. I love them. They love me. Amen.
-Timmy, 4th

Thank you for my generous and caring friends and family who love me for who I am.
-Anna, 8th

I have a very loving family who cares about me greatly and believes in me and in everything I do. Most people believe that God lives in heaven, but I believe that God is in everyone. Whether he be living in your neighbor or in your cousin, everyone has a bit of God to share.
-Citlaly, 8th

You have given me everlasting happiness from my family, friends, gymnastics, knowing that I'm surrounded by people who love and care about me, and knowing that you're always there for me.
-Kate, 8th

Our Father,
We are thankful for nature,
We are blessed to have Earth that provides for us and shows us there is a lot more to
this world.
We are thankful for love.
We are fortunate to have a family to love and friends to care for.
We are blessed to find animals that we truly care for and that have a perfect spot in
our hearts.
We are thankful and blessed to have a wonderful life.
Amen
