

PRINCIPAL CORNER for January 19
APRECIATE and CELEBRATE

Sunday, January 27th is the kickoff day for Catholic Schools week for all Catholic schools across the country. Throughout this week, we **appreciate** and **celebrate** the collective effort of our school and our parish for supporting our thriving educational community devoted to developing the mind, body, and spirit of each student.

SCCS will host a special coffee and doughnuts after the 8:00a.m. and 10:00a.m. Masses. The school will be open for parishioners and families to tour from 8:50-9:50a.m. and again from 11:00a.m. – 12:30p.m. for our **OPEN HOUSE**.

All teachers will attend the 10:00a.m. Mass. After Mass, students, teachers, parents and parishioners will head over to school for our Open House. Teachers will be in their classrooms to answer questions. Student writing, artwork, and projects will be on display throughout the classrooms and in the hallways.

School Commission Chair Jack Brophy and I will present the State of the School Address in the St. Monica room from 11:15-11:45a.m. The presentation, includes the spiritual, academic and financial state of our school. Our goal is for one parent of each SCCS family to attend along with all interested parishioners.

We will show our **appreciation** for students, teachers, parents, and parishioners at our Open House on Sunday, January 27th to kick off our week of **celebration**. Please join us and bring your friends!

With joy,
Susan Kilbane
