

## WHERE DID YOU COME FROM? WHAT BROUGHT YOU TO THIS AREA?

Hello, we are Tim, Danielle, Landon (5), Owen (3), and Leo (1.5)! Tim and Danielle met in Poulsbo, where Tim is originally from. Danielle was a navy brat and her family settle in Kitsap during her high school years. We love the area and have no desire to leave!

## WHY DID YOU CHOOSE SCCS?

Initially, while searching for preschools, our primary concern was finding a school that felt welcoming and had an ethos similar to our family's. We felt drawn to continue at the school after preschool due to the close community, Catholic values, and the educational standards.

## WHAT HAS YOUR EXPERIENCE AT SCCS BEEN LIKE THUS FAR?

We love that at SCCS there is a culture that continually reinforces virtue, formation of good conscience, and stewardship amongst the students. There is a true feeling that each person is seen, valued, and invested in; no one is lost in the crowd.

## WHAT DOES YOUR CHILD LOVE ABOUT SCHOOL?

Landon loves spending time with friends and interacting with older students. Wednesdays are his favorite days due to P.E. and after-school art. He eagerly looks forward to class field trips to the library. Landon especially enjoys the community events and seeing everyone gather together.
