

PRINCIPAL CORNER for August 24th
Embrace, Educate, Empower, Thrive

We are committed to embracing, educating, and empowering all student so they will thrive throughout the year.

Embrace is to welcome with open arms, to accept and support, love and care for. It includes honoring all of the individual and family strengths of each student.

Educate is to instruct, coach, cultivate, and develop. It includes developing the capacity of students to collaborate, communicate, create and think critically.

Empower is to develop confidence enabling and equipping each student to make choices. To empower is to provide students opportunities to use their faith, knowledge and strengths to help others.

Thrive is to grow vigorously, to flourish. It includes growth in mind, body and spirit.

Thank you for your prayers and support as we begin again.

With joy,
Susan Kilbane
