

PRINCIPAL CORNER for January 18th
Open House
Share and Celebrate

On Sunday, January 26th we will open the school doors after the 8:00a.m. and 10:00a.m. Masses. Please join us for an expanded coffee and doughnuts along with a tour of the school. A big Thank you to parent Dr. Donna Ortiz for leading our team of parents hosting refreshments.

As you walk throughout the school you will see carefully designed classrooms that provide space for individual, small group and whole group learning. Student work will be on display. You will experience our school culture through encounters with students, teachers and parents.

Our Open House on Sunday, January 26th provides us the opportunity to share and celebrate our wonderful school. Please join us to experience first hand what we mean by **Rich in Academics, Rooted in Faith**. All are welcome!

With joy,
Susan Kilbane
