

PRINCIPAL CORNER for February 22nd
Make Jesus Known

On January 24th, Father Mark and I attended the annual Archdiocese of Seattle Principal/Pastor meeting at St. Thomas Church in Tukwila. To kick off the day, Archbishop Paul Etienne celebrated mass with us. A few excerpts from his homily include:

Make Jesus known. The best proclamation is how we live.

What do others experience when in our presence?

Enter into each day with Faith, Hope and Love.

Pope Francis is a great inspiration. Despite resistance, headwinds and challenges, he gets up every day, with a smile, and presents Christ to the World.

In school we are mindful of creating the conditions and the expectations for students to treat one another with respect and kindness. We present Christ to the world through a welcoming, positive attitude, through working hard, through listening actively and through acts of kindness.

I am grateful to be part of the St. Cecilia community of parishioners, students, teachers, staff, parents, grandparents and Father Mark who makes Jesus known, through their words and actions, every day of the week.

With joy,
Susan Kilbane
