

PRINCIPAL CORNER for March 21st
SCCS, Rising

The word is out: **St. Cecilia Catholic School is a vibrant place of learning.** Students love their classmates and their teachers. Parents are committed partners to ensure their children grow academically and live their faith. As 7th grader Brydie Dunstan wrote, “Our school is just very supportive, and it’s something to look forward to every day.”

Our St. Cecilia Catholic School now serves 101 students. We welcomed students in every classroom at the start of the school year. As of March 2nd, our Pre-K program is filled to capacity.

We are rising because:

1. Students are thriving.
2. We are rich in academics, rooted in faith.
3. Our teachers, staff and coaches are top notch.
4. Our curriculum grows and develops to support the needs of students.
5. Father Mark consistently shares the good news of SCCS.
6. Students, parents and parishioners encourage neighbors and friends to join us.
7. Our new and improved website is easy to navigate and very informative.
8. Consistent Schoolwide Learning Expectations create a culture of respect.
9. 7:15-8:15a.m. before-school care and 3:00-6:00p.m. after-school care available.
10. Our Endowment enables us to provide tuition assistance making us accessible to all.

I lead tours at various times during the school day. No matter when I lead families through our school, students and teachers are engaged in learning. This school year, nearly 100% of people who came for a tour either applied immediately or applied for the coming school year.

The growth we are experiencing did not happen overnight and could not have happened without the collaborative efforts of parents, teachers and parishioners. We are flourishing because of the continued collective work of our St. Cecilia community.

We are St. Cecilia Catholic School, rising!

With joy and gratitude,
Susan Kilbane
