

**PRINCIPAL CORNER for April 4**  
**Great Mysteries**

Father Ron Nuzzi taught at the University of Notre Dame for 25 years. I was fortunate to attend two *Christ in the Classroom* retreats he led for the principals of our Archdiocese in 2017 and 2018. I then led our teachers on the same two retreats.

As we begin Holy Week, I share the foundational aspects of our faith.

We immerse ourselves in thoughtful ways into the grace that always surrounds us, turning our attention once again to those abiding mysteries that animate our faith. –Fr. Nuzzi

1. **INCARNATION**: We see and celebrate school life as a place where Christ is present – JOY
  
2. **TRINITY**: Build, protect, value, celebrate and heal relationships as the primary experience of God’s abiding presence - RELATIONSHIP
  
3. **PASCHAL MYSTERY**: The ups and downs of normal every day struggles are experienced, understood, and expressed as participation in the life of Jesus – DYING & RISING
  
4. **EUCCHARIST**: High quality prayer, worship, and participation enhance and deepen the Great Mysteries for all.

With joy,  
Susan Kilbane
