

PRINCIPAL CORNER for May 16th
Makenna's Mom

Makenna is an amazing 8th grader. She wrote the piece below.

ENCOURAGE

God placed my mom in my life to encourage me. My mom encourages me for so many things. I think one of the biggest things she supported me with was when I took my test for Holy Names. She knew I was doubting myself and she gave me a pep talk to show me that I could do it, and I was smart and not to doubt myself. My mom is also very encouraging when I am having trouble with people in my life. She always says, don't worry it will be ok and it will get better. I don't know what I would do without her. I think I would say to her one of the biggest thank you's someone could give.

I am delighted to share that Makenna will be a freshman at Holy Names Academy in the fall.

With joy,
Susan Kilbane
