

PRINCIPAL CORNER for May 2nd
Early Learning at SCCS

Our Preschool Program, which includes Explorers (age 3 & 4) and Pre-K (age 4 & 5), is the talk of the town. Through word of mouth, we doubled our Preschool Program enrollment within the first five months of school.

Each day, time is devoted to art, discovery, learning, building and play. Teacher/Director Sheelagh Carleton and Teacher Assistant Yuliana DeLuna work collaboratively as they create a warm, welcoming environment where **children are known, loved and celebrated.**

Explorers meet on Tuesday and Thursday from 8:15-11:45a.m. Starting September 1st, we will offer childcare Tuesday from 11:45am-3:00p.m. and Thursday from 11:45a.m.-2:00p.m. for Explorers.

Pre-K students meet on Monday, Wednesday and Friday from 8:15a.m.-3:00p.m.

Our amazing Preschool classroom is the absolute best place for our children to fall in love with learning.

With joy,
Susan Kilbane
